

## **REDWOOD EMPIRE CHAPTER**

### **40<sup>TH</sup> Annual Conference and Equipment Show**

Dear Conference Participant:

On behalf of the members of the Redwood Empire Chapter, it is our pleasure to welcome you to the 40th Annual MSA Conference Equipment Show and our Chapter's 30<sup>th</sup> anniversary in Rohnert Park. The Redwood Empire is one of the most beautiful and exciting areas of the state. It is the home to world famous restaurants, unique shopping and world class attractions. Take some time to explore our area and see why it is one of the most desirable tourist destinations on the west coast.

The 2008 Conference and Equipment Show will be an exciting combination of technology exhibits and professional level training sessions. Our speakers are experienced professionals with extensive hands on expertise. Our vendors will be showing the latest in technological equipment and materials. You will leave this conference with a great deal of practical information to make your job easier.

You will also have time to enjoy your visit to Sonoma County. We have provided two exciting events for those who are inclined to fish or golf and we have also arranged an entertaining spouses program. Our intention is to deliver a memorable experience to each and every participant.

Thank you for choosing to participate in this year's MSA Conference and for helping to make it all possible by your attendance. If this is not your first time attending an MSA Conference then welcome back. I hope you will establish new contacts and continue to expand your network of trust. Please help first-time attendees to meet others and generally make people feel at home here. Whether this is your first time with us or not, we will endeavor to make this a memorable conference for you so you will want to come back in the future.

I hope you will enjoy "Your Redwood Escape in 2008".

Best regards,

Mark Powell  
2008 Conference Chairperson
